Subject: Re: SSO Inspection and Meeting on 5/7

Akash,

The time and date will work. Let's meet at my conference room at the Crow Tribe Water Resources Office. I do have new information to share. Your visit is welcomed.

Hi Tom,

I hope you are doing well. Per our discussion earlier this week, my colleague, David Gwisdalla (cc'd) are planning to be in Crow Agency on the afternoon of Monday, May 7th and would like to meet with you and your operators, if available, to discuss the status of the Crow Agency wastewater lagoon and review the site of the recent SSO.

We will be making it into Crow Agency sometime between 3 and 4 in the afternoon – where would be the best place to meet you in town? We can meet in your office, at the lagoon, or at the site of the SSO. Our discussions should be wrapped up by 6, if not sooner – we appreciate you accommodating us so late in the day.

Feel free to call if you would like to discuss. I look forward to meeting you.
